

SEAC Member Responsibilities

Mahalo for your commitment to represent your organization and families as we strive to make Hawaii's special education system work for all of our keiki.

Represent

Bring representation of your constituency to discussions.

Attend

We have 10 meetings a year. If you cannot attend a meeting, send a designee in your place.

Respect

Listen and respect each other's views and treat other members as equal partners.

Engage

Do your homework and bring information to the table. Be ready for discussions.

Produce

Help create infographics, recommendations and other products, and check progress intermittently.

Share

Share information with your constituency group, as much as possible.

Leading by Convening Principles

Work together and assume roles and responsibilities appropriate to your knowledge, skills and interests.

Process

Acknowledge disagreements as part of the process to move forward.

Focus

Be outcome-driven. Focus on results for students with disabilities.

Solutions

Focus on the positive with a solutions orientation.
