Hawai'i Keiki: Healthy & Ready to Learn

NURSING

UNIVERSITY of HAWAII at MĀNOA

Leadership • Excellence • Innovation

Who are we?

- Partnership between DOE and University of Hawai'i at Mānoa, School of Nursing & employed by University Health Partners at intersection of education and health – to support DOE to achieve student, school and system success
- Started in 2014 – 5 complex areas
- In 2017 – received funding to expand to 15 complex areas statewide
- Plus, 6 school-funded APRN and RNs
- In spring 2020, started a dental screening & sealants program & launched HK Hotline & Telehealth services
- This year, adding 15 new COVID-19 Support RNs

Hawai'i Keiki's Mission

Mission: to keep our keiki *healthy and ready to learn* by providing access to school nursing services in Hawai'i's public schools

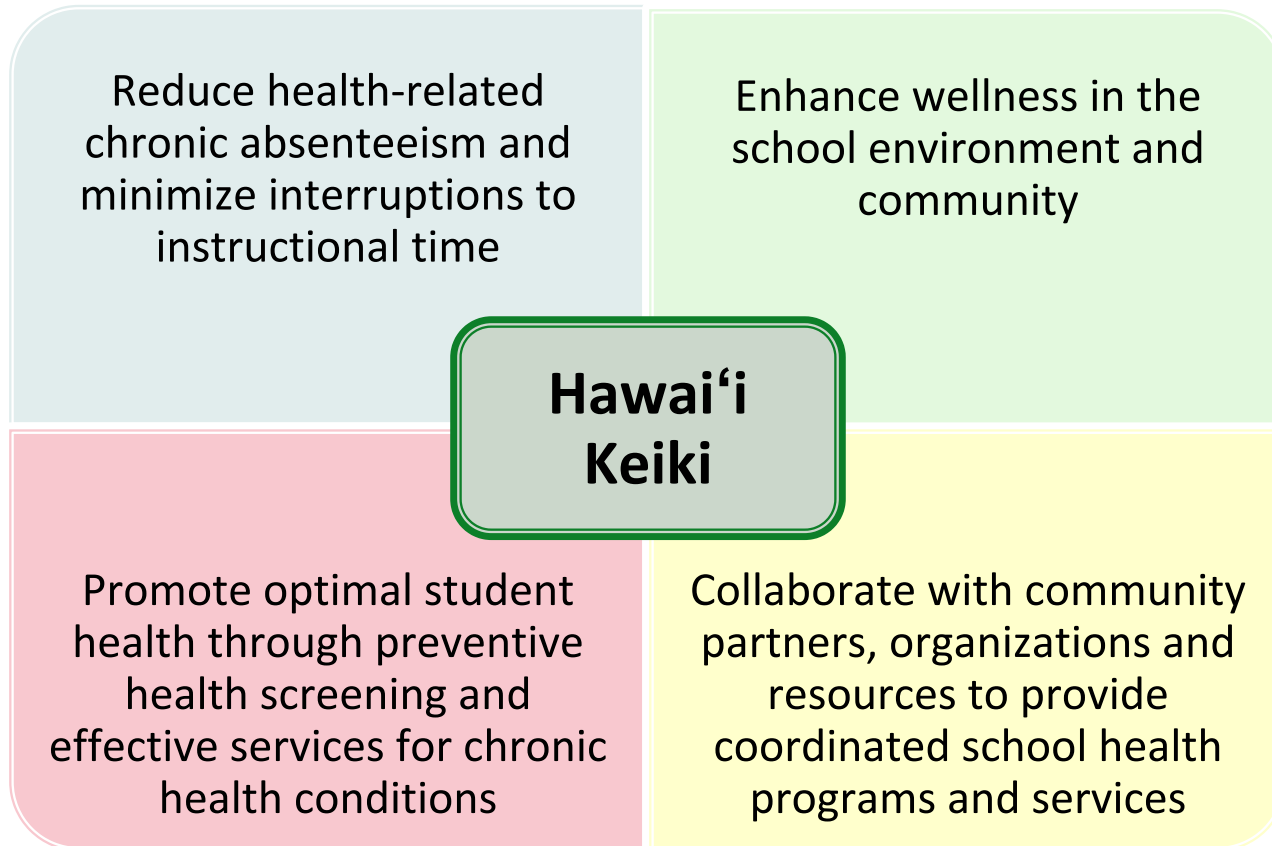

- ***enhancing and building*** school-based services that screen for treatable health conditions
- ***provide referral to and coordination*** with primary health care and patient centered medical home services
- ***prevent and control*** communicable diseases and other health problems
- ***provide emergency care*** for illness or injury

Supporting School Design,
Student Voice and
Teacher Collaboration

"Hawai'i's students are educated, healthy, and joyful lifelong learners who contribute positively to our community and global society."

-DOE Vision and Strategic
Plan 2017-2020

Our 4 Core Goals

Enrollment in Services

- Operate on consent based services
- Hawai'i Keiki consent forms
- 3 signatures....
 - 1 consent for HK services - allows your child to be assessed & treated by the nurse
 - 1 consent for FERPA - gives nurses the ability to speak with your child's health care provider
 - 1 Terms and Conditions of Services (TCS) - allows the nurses to bill your insurance for services provided

Cost for Students/Families

- No cost for DOE students
- No insurance - no bill to families
- Insurance - bill is sent to insurance to offset program costs, no co-pays or out of pocket cost of families
- Concern about TCS:
 - The TCS is the standard form across all UHP clinics/locations
 - “I understand I may receive a bill from UHP. (Most who sign this form will receive a bill; under limited circumstances some will not receive a bill.)”
 - Hawai‘i Keiki is the program that does not send out bills to families
 - If a bill is received in error, let us know and we will take care of it

2019-2020 Highlights

- Expanded the Reach of School Nurses in DOE Complex Areas and Schools

- Dental Sealants Team provided 106 oral assessments and applied 172 sealants to 2nd graders in select Title 1 schools

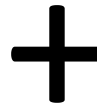

- Leveraged partnerships and support to benefit school health and students at DOE
- Including Project Vision, Vision to Learn, Lions Sight, Lions Club, & Stop Flu at School

Expanding the Reach of School Nurses

3 new APRNs

started this year

- Farrington High
- Mountain View Elementary
- Waiakea High

15 more RNs

school-based clinics positioned to launch service in 20-21 SY

- One per complex area

1 telehealth APRN

hotline/telehealth services, telehealth expansion

257 

Hawai'i Keiki serves 257 schools
with numerous school health activities

Expanding the Reach of School Nurses

Locations...

15 New COVID Support Nurses

Hawaii Island: Naalehu Elementary, Hilo High, HKKK (TBD)

Kauai: Waimea Canyon Middle

Maui: Kahului Elementary, HLLM (TBD)

Oahu: Aiea Elementary, Mauka Lani Elementary, King Intermediate, Pope Elementary, Kaimuki High, Haleiwa Elementary, Waianae Elementary, Pearl City High, Fern Elementary

15 All Complex Areas Served

The Program engaged with all 15 CA & superintendents to support school health

Established Schools with Hawai'i Keiki APRNs

Waipahu High

(14
APRNs)

Established Schools with Hawai'i Keiki RNs

Central Middle School

Leihoku Elementary (.5 FTE)

Kau-Keaau-Pahoa Complex Area

Maili Elementary (.5 FTE)

Makaha Elementary (.5 FTE)

Nanakuli Elementary

Wilcox Elementary (MS RN)

(6
RNs)

Health Room Visits Summary

Health Rooms with Hawai‘i Keiki Nurses, 2019-20

- Conducted 8,024 health room visits for injury, illness, and health guidance
- 88% of students were returned to class
- Average time in health room was 18.5 minutes

64%

parental
consents
received

Over 11,500
parents provided
consent for their
child to receive
HK services in
schools with an
HK clinic

Source: Data describes health room visits during 2019-20 school year for HK schools from HealthOffice Anywhere® data minimally supplemented by traditional paper documentation forms

Attention: HIDOE State & Complex Staff

Did you know we have
school nurses for our students?

HIDOE parents, guardians, students and employees
can call the Hawaii Keiki Health Hotline:

Hotline – Quick and Confidential

- Concerned about a student-related health condition?
- Questions about student physical exams or immunizations?
- Need to connect a student with a HIDOE counselor for mental health or behavioral issues?

Telehealth (aka Video Visit) – Appointments from Anywhere

- Want a nurse to look at a student's cut or rash?
- Questions about a student's medication?

Educational Presentations

- School nurses are available to present to HIDOE departments or schools on a variety of health-related topics

**Monday - Friday
8 a.m. to 3 p.m.
excluding holidays
Fall 2020 semester**

(844) 436-3888

Interpreters available

If you have a medical emergency, call 9-1-1

For more information, visit www.nursing.hawaii.edu/hawaii-keiki

State & Complex Area Staff

Attention: Principals, Teachers & Staff

Concerned about a
student's physical or mental health?

Call the HIDOE and Hawaii Keiki Health Hotline
and talk to a school nurse.

Monday - Friday
8 a.m. to 3 p.m.
excluding holidays
Fall 2020 semester

(844) 436-3888

School Level Staff

Hawaii Keiki nurses are ready to take your call:

- Get quick answers to medical questions
- Find the right resources
- Connect a HIDOE parent, guardian or student with a nurse, medical or mental health provider

Interpreters available

If you have a medical emergency, call 9-1-1

For more information, visit www.nursing.hawaii.edu/hawaii-keiki

Hawaii Keiki School Nurses Are Ready to Take Your Call

Want to talk to a nurse? Don't have a doctor?

HIDOE parents, guardians and students can call the quick and confidential health hotline:

- Health concerns about your child?
- Questions about a check-up or shots?
- Questions about COVID-19 and your child?

Hawaii Keiki can provide telehealth (aka video visit) – appointments from anywhere.

Parents & Students

NO COST
For Hawaii DOE
Students

Monday - Friday
8 a.m. to 3 p.m.
excluding holidays
Fall 2020 semester

(844) 436-3888

Interpreters available

If you have a medical emergency, call 9-1-1
